Musical Tots

A NY Preschool and Kids Club music class for children 4-36 months that thrills both children and adults! This educational class features classical music, jazz, rock & roll, and favorite nursery rhymes in a fun, upbeat environment. A professional guitarist and talented singer lead group activities and sing-alongs as your young musician is exposed to new rhythm patterns, melodies, and a diversity of percussion instruments each class session. Musical Tots stimulates important language development and increases music appreciation. This program is fun for both children and their adult and is an adult participation class; one parent or caregiver can participate with up to two children
